Together for Society is a Donation Fund for NN colleagues in the Netherlands. Colleagues can request a donation up to € 7,500 for a charitable organisation which they are involved in. Through a voting round, all colleagues help decide which organisations Together for Society supports.

Together for Society has an ANBI status, RSIN number: 851201118

Proud of our colleagues

We are proud of our colleagues who volunteer at great organisations! Together for Society supports initiatives in the personal environment of colleagues financial, but the most impressive is that many colleagues regularly volunteer and they are passionate about making a difference for society.

In 2023, we supported 30 great organisations. Our goal for the coming years is to support even more colleagues and organizations.

Examples of charitable organisations that received a donation:

Stichting Het Pasta Gilde

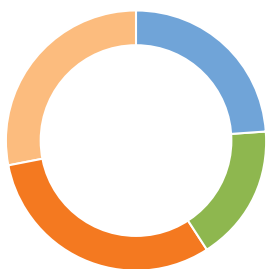

'Stichting Het Pasta Gilde' was founded on February 15, 2023. It is dedicated to combating poverty by donating pasta to food banks. For every pack of Premium Pasta sold, they donate one pack to a food bank, ensuring that each purchase directly supports those in need.

Stichting Zorgcentra Meerlanden; locatie De Meerstede

By providing tandem bikes, the foundation offers clients a sense of freedom, encourages exercise, and enhances social interaction between the client, volunteers, caregivers, and family members.
